for our new

ZEN GARDEN

Staff, patients and visitors are invited to design a rock for a permanent public artwork, known as Zen Space. It will be the centrepiece of the new look Sir Charles Gairdner Hospital Physiotherapy Garden for patients, visitors and staff to enjoy.

Use the artwork template to create a design that represents you and draws inspiration from your life.

Submit as many entries as you like by COB 17 February 2025.

The Zen Space is being created by the Queen Elizabeth II Medical Centre Trust with WA artist Sioux Tempest overseeing the design and installation. Designs will be copied onto smooth rocks by hand by artists during Artscape (17-23 March).

Artscape is designed to celebrate the diversity of the QEII MC campus community.

For more information and a copy of the artwork template, go to <https://www.qeii.mc.health.wa.gov.au/campus-life/artscape-2025> or click on the QR code.
