

Rock garden artwork template

Be part of our exciting new Zen Space in the Sir Charles Gairdner Hospital Physiotherapy Garden

Simply create a design to be added into a rock garden that will form part a permanent public artwork, known as Zen Space. It will be a key feature of the new look Physiotherapy Garden for patients, visitors and staff to enjoy.

Create your design inside the oval template on the right, using only the colours shown below. Your design can be as simple or as elaborate as you want. It can be humorous, inspirational, motivational or a story of your culture, your identity, or perhaps it's even a little Zen. Let your imagination and creativity run wild.

Need a little inspiration to get started? Head to <https://www.qeiihc.health.wa.gov.au/campus-life/artscape-2025> to view some example designs.

Create your design with pencils, textas, paint or digitally.

Designs created by finalists will be copied onto smooth rocks by hand by artists during Artscape (17 to 23 March 2025) and incorporated into Zen Space.
